

Thursday 23<sup>rd</sup> June

We have had 2 exciting transition days this week which have allowed all of the children in UKS2 to learn more about what to expect next year. Year 5 have spent two mornings with Mr Graham in the Year 6 class and began to get used to the new routines. Most of Year 6 have had their 2 days up at the Cooperative Academy, during which they have experienced what life in a high school is like and got a better understanding of how the school is arranged.

Next week will be assessment week for Year 5, who will be working hard to complete their tests for the end of the school year (Year 6 will not have tests as they have already completed their SATs). Year 6 will have lessons on CSE in the afternoons; letters were sent out about this before half term.

### Homework Marks This Week

Homework:

Spelling:

#### Homework this week.

##### Spellings

(Y5) - Words from the core list.

##### Maths

Y5 – p24 of the maths book.
