What we have been up to this week in LKS2

Year 3: In maths this week we have been partitioning 3 digit numbers, ordering 3 digit numbers and learning about greater than and less than given numbers. Ask us to show you the correct crocodile!

In literacy we have been looking at frontier adverbials, conjunctions and letter features. We are preparing to write a letter for our Stone Age topic. In science we started our forces and magnets topic.

Year 4: This week in maths we have been looking at place value. We have looked at ordering 4 digit numbers, finding 10, 100 and 1000 more or less than a number and also comparing numbers. We have also been learning our 6 times table. Test us at home!

In literacy we have been continuing to read Beowulf. We have described Grendel the monster and we have explored exciting vocabulary and sentence structures we can use in our writing. In science we learned about the particles used to make up a solid, liquid and gas.
