

Friday 8th March 2019

Year 1 have been learning about Neil Armstrong this week. We produced a timeline of his life and wrote a fact file about him. In Maths, we have been identifying and representing numbers using base ten.

Year 2 have been writing about Paddington bear in their literacy and learning about statistics in Maths.

We have had a great day for World Book day, all the children looked fantastic in their costumes as their favourite characters. They have all made and designed their own bookmarks for their own reading books at home.

Thank you to all of the parents and children who came to our book fair this week.

A massive well done to Year 1 for their excellent assembly on Thursday. We would love to hear your thoughts about it too. Please follow this link to leave your feedback -
