Friday 21st June

What we have been up to this week in UKS2

Year 5: We have all been working extremely hard to complete our assessments this week. For our assessed writing we watched a music video and retold the story-we really enjoyed a little dance! On Thursday we were really lucky to have our First Aid training. It was very interesting and we all learnt lots of new skills including how to perform CPR!

Both classes have started preparations for our class assemblies -we can't tell you too much as it will spoil the surprise!

Year 6: We have continued to learn some German with Miss Appleyeard which has been really interesting so far. We have all been working hard and putting our singing and acting skills to the test in preparation for our end of year production.

Homework

Year 5 Maths – Mathletics activity and Times Tables Rockstars

English-Complete any outstanding comprehension. Spelling Shed.

Year 6 Learning their lines for the production

Mathletics activities (Children have login details)

Times tables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website is the link to our new times tables package 'Times Table Rock stars'. On this website children can complete daily practice and move up the leaderboard for our school. Have a look to see where your child currently is!
