This week has been Theme week. Year 1 have been learning about Christopher Columbus and Neil Armstrong and Year 2 have been learning about Tocuaro village in Mexico and how they are famous for mask making.

We were really lucky on Wednesday to have a real rocket at school and we all went outside to see it and talk about it. We also had the opportunity to see some frozen dried food that astronauts take with them, as well as touching an actual carbon fibre panel from a rocket and a meteorite that had fallen down to earth from space. It has also been World Book day this week and all the children looked fantastic dressed up as their favourite book character. Each class also produced some fantastic writing about their favourite books.
