

Friday 9<sup>th</sup> March

We have had a busy week with some special visitors in our classroom. On Monday 9 eggs arrived and by Wednesday nearly all of them had hatched into yellow, fluffy chicks. We have enjoyed watching them grow and have been helping to look after them. Please check class dojo for photographs. Parents are more than welcome to have a quick look at them in the morning when dropping off!

Thank you to everyone who came to our open evening and explored our wonderful school.

Thank you to all the parents who attended the Mother's Day Craft sessions. It was great to see so many familiar faces and the children all had fun being creative making cards and fridge magnets.

In Maths this week Nursery have been learning about 2D and 3D shapes. Reception have been making up their own games using dice.

If you have any queries about your child's learning staff are available on the door every day or a longer appointment can be made if needed. Please remember to email us any parent observations you do at home with your child- more information can be sent out.

### Notice Board/Dates for your Diary
