What we have been up to this week in LKS2

It has been a busy and enjoyable week in LKS2, filled with exciting workshops and collective celebrations. On Wednesday we learned about Diwali and hosted an open evening to invite parents to tour our wonderful school. On Friday we made poppies to celebrate Remembrance Day and to remember the lives lost in the wars.

Year 3: In Maths we have been using mathematical statements to multiply and divide larger numbers. In Literacy, we have learned how to use inverted commas for speech and have written a non-chronological report on prehistoric times. During our Science lessons, we have written a letter based on our investigation with magnets.

Year 4: In Maths this week we have been learning about factors and formal multiplication. In Literacy we have consolidated our learning about speech marks and wrote a conversation about Diwali to demonstrate our learning. We have taken part in an anti bullying workshop and also learned about the weight of gases in science.

Homework

Year 3 Maths – MyMaths
English – Comprehension pages 16 - 17

Year 4 Maths – MyMaths
English – Comprehension pages 12-13
