What we have been up to this week in LKS2

Year 5: In Maths we have been calculating questions involving fractions learning how to convert between improper fractions and mixed numbers.

In Literacy we have continued reading Oliver Twist and have written a range of character descriptions focusing on vocabulary and sentence structure.

Year 6: In Maths this week we have been learning to convert between fractions, decimals and percentages. All children are making fantastic progress in their arithmetic and this should be reflected in their test scores in next week's assessments.

In Literacy we have been writing our biographies about Anne Frank. This has been a fantastic topic and children have showed great enthusiasm. Next week pupils will be bringing home their biographies to share with parents.

On Wednesday Year 6 had the chance to visit to Co-Operative Academy to watch a fantastic production of 'Lest We Forget' a play based on WW1.

Homework

Year 5 Maths – MyMaths

English – Comprehension pages 20-21

Year 6 Maths – Fractions, decimals and percentages
