

Friday 15th February

We can't believe it is the final week of the half term- the children have worked really hard learning all about cold places. We have continued to work on our text The Gruffalo's Child and Reception have created their own version of the story and Nursery have thought of a new character for the story. The work produced has been amazing! Please keep practicing any writing and reading with your child at home.

This week, love has been in the air in the foundation stage with the children celebrating Valentine's Day by thinking about all the people they care for and different ways of showing we care like giving presents or cards, sharing with friends or saying kind words. We hope you are enjoying our new morning greeting!

In Maths Reception have been measuring talking about height and length and Nursery have been talking about 2D shapes.

At Home

Topic homework: Our next topic is 'Food and growth' and we are asking that the children do some pre topic homework exploring this. We really value this homework and use it as a starting for our topic so we really appreciate the hard work you spend on this with your child.

More details are in your child's homework book.

Child's Voice

Miraal and Ayesha: That's a hexagon!

Kian: Nobody's taller than me!

Hallie: I made a valentines day card for my mummy.

Lewis: My new character for the story is a rabbit.
