What we have been up to this week in UKS2

Year 5: In Maths this week we have been extremely busy revising some topics we have already been taught. We have applied our problem solving skills to various areas of the curriculum!

In English this week we have been looking at our Year 5 writing targets and trying to use them in our writing ready to complete our assessment next week!

Year 6: In maths this week we have been continuing our statistics work looking at pie charts.

In English we have been writing flashbacks about being stranded on a desert island.

Homework

Year 5 – Maths – MyMaths activities

English – Comprehension book page 16

Year 6 – Maths – Arithmetic

English – Reading comprehension pages 18-19

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
