Newsletter  
Friday 29th March 2019

**What we have been up to this week in UKS2**

**Year 5:** In maths this week we have been looking at properties of 3D shapes. We have also been exploring nets of our 3D shapes.

In literacy we have been looking at poems about the sea and thinking about figurative language that poets use

**Year 6:** We have been continuing to practise for our SATs and had our mock tests this week. We all worked really hard!!!

**Homework**

**Year 5 – Maths – MyMaths activities**

**English – Comprehension book page 18**

**Year 6 – Maths – Arithmetic paper**

**English – Reading comprehension pages 22-23**

**Timestables**

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
