### What we have been up to this week in UKS2

**Year 5:** In Maths this week we have been looking at place value, comparing and ordering numbers up to 1,000,000.

In English this week we have been looking at our new topic the Mayans. We have been learning about where this ancient civilisation came from and a little bit of their culture. We even enjoyed some Cacao nibs!

**Year 6:** We have been continuing to revise for our SATs.

### Homework

**Year 5 – Maths – MyMaths activities**

Please complete any outstanding homework from the holidays.

**Year 6 – Maths – Algebra sheet**

Please continue with your revision booklets that were sent out before Easter.

### Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.

### Notices

Text messages have now been sent out to children who have been selected for the girls football and High 5 teams. Practices start again next week.

Please ensure you have your PE kits back in school.

**Hair accessories –** Please ensure that all accessories are black, blue or yellow and are a reasonable size.
