Friday 17th May

What we have been up to this week in UKS2

Year 5: In Maths this week we have been practising our written methods for multiplication and division. Feel free to ask us to show you!!!

In English this week we have started to explore science fiction stories. We now know the features of some of these stories and have created our own characters and inventions. Finally, we wrote our own setting descriptions for a new world.

In Science, we have continued to explore our sun and Earth. We understand how we get night and day and that the sun isn't moving at all!

Year 6: You did it!!!!!!! SATs completed!

Well done to the whole of year 6 for your hard work this week. All the staff are extremely proud of you and your efforts.

Homework

Year 5 – Maths – 5F MyMaths

5P Athletics-log-in details are in diaries

English – Comprehension book pg 30-31

Practice spellings on Spelling Shed.

Year 6 – Research for Ancient Greece project

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
