

Friday 24th May

Many parents and children were nervous on Monday as we travelled all the way to Liverpool for our end of year school trip. However, the nerves soon disappeared as the children began to explore Imagine That! They had such a fantastic time. We explored the many role-play areas pretending to be a vet, work in a supermarket, American diner, pizzeria, hair salon, be a racing car driver, bus driver, and more. They made slime and bath bombs in a science workshop. They painted fridge magnets in a craft workshop. They watched a science show with bubbles & gases and they even made a volcano erupt. If you have not been on Class Dojo yet please go on and have a look at the many photos we have added. In Literacy, the Nursery children have been writing a list of all the foods the hungry caterpillar ate. Why not ask them to write you a shopping list at the weekend. In Reception, the children have been innovating the story by changing the characters and then writing lots. In Math this week, Nursery have been measuring weight and capacity. Reception have been measuring time. They began the week by watching Mo Farrah on 'The Cube' and then the children have been completing similar, fun challenges.
