Friday 7th June

What we have been up to this week in UKS2

Year 5: In maths this week we have been looking at percentages, decimals and fractions. We have been learning how to convert from one to the other and thinking about how they all relate to each other.

In English this week we have been writing our own science fiction stories for our assessed writing. We have continued to look at the Mayans and we have started to create our very own Mayan Masks!

Year 6: We have continued to look at our topic of the ancient Greeks. We have been using our knowledge to create some wonderful writing.

Some of us have also been working hard and using our artistic skills to create a model of Mount Olympus!

All classes celebrated a new scheme across the school: Times Table Rockstars. The children looked absolutely fantastic in their costumes and they can't wait to practise their times tables and become a Rock Legend.

Homework

Year 5 Maths – 5F MyMaths

5P Athletics-log-in details are in diaries

English-Complete any outstanding comprehension. Spelling Shed.

Year 6 Times Tables Rockstars

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.

Notices

Monday 10th June- Yoga 3.30-4.30pm.

Tuesday 11th June- NSPCC Assembly. High 5 training 3.30-4.30pm
