Friday 12th July

What we have been up to this week in UKS2

Year 5: We have been very busy in year 5 this week. We have continued to practise our arithmetic skills in maths this and have been busy on Times Tables Rock Stars. In literacy we have completed and typed up our newspaper articles about Tim Peake's mission to the ISS

We had a lovely trip to the Whitworth Art Gallery where we enjoyed looking at all sorts of different art work. We loved sketching in the gallery and enjoyed an animation session with an artist!

Both classes have had their transition day to Year 6 and have met their new teachers and TA's ready for the new academic year!

Year 6: We have enjoyed putting the final touches to our performance-we can't wait to share it with you! We have also enjoyed our transition days at our various high schools this week ready for September.

Homework

Year 5 Maths – Mathematics activity and Times Tables Rockstars
Spelling Shed.

Year 6 Times Tables Rockstars

Timestables

Knowing all times tables is a national target for the end of year 4 and is crucial if children are going to make excellent progress in our key stage.

We ask that all parents continue to practice and test times tables with their children to ensure fluency.

The website below is just an example of many times tables games that can be found online.

<https://www.topmarks.co.uk/maths-games/hit-the-button>

All pupils should also have a MyMaths login that they can use to access a great variety of games. Pupils should ask class teachers if they are unsure of their login.
