

Friday 6th December 2019

In Year 1, we have been writing a new setting description for Traction Man's adventure to the North Pole. We then went on to discuss and write about two characters that we created for our new story.

In Maths, we have been measuring length and height using non-standard units.

Year 2 have continued their work on fractions in Maths this week. In Literacy, they have been reading more of their story Katie Morag.

All the pupils have raised a whopping £516.48 from their Children in Need sponsorship money. This is an incredible amount! Thank you for all your support.

After our Winter Wonderland Day at school on Friday 13th December you can take part in our Wonderland After School Family Activities which include Ice Skating, Family Visit to Father Xmas - both must be booked and paid for in advance via school spider and all children MUST be accompanied by a parent/guardian.

Homework

Year 1:

Maths and comprehension worksheets

Year 2:

Maths and comprehension worksheets

Spellings: We are now on a new scheme called 'Spelling Shed'. Please check your child's book bag for the list.
