

Foundation Stage Parent/Carer Workshops

We would like to invite you to a reading session with your child. Come and share a story and let your child read to you. The importance of reading at home will be shared with you but this is a fun session for you to come and enjoy with your child.

Due to the number of children in the Foundation stage unit we have split up the keyworker groups on different days. You are to attend on the day of your child's key worker group.

The workshops will take place in the dining room, please enter through the community entrance on Chapel lane, all Nursery and Reception workshops will start at 2:00pm. Children to be collected at home time as normal at 3:00pm Nursery and 3:15pm Reception from the normal exit.
