

In order to ensure that learning is continued, irrespective of lockdown and self-isolation. Please find information below about how your child can continue to learn beyond the classroom...

Google Classroom

As part of our commitment to offering an online learning environment children in Years Reception to 6 have been set up with a Google Classroom account which consists of their username followed by @pikefold.manchester.sch.uk and a password e.g.

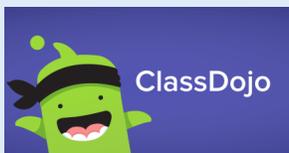

16jbloggs@pikefold.manchester.sch.uk

Google Classroom can be accessed through a free App either on the Apple Store or Google Play on both Apple and Android devices as well as through the internet on laptops or desktops. If accessing on the internet on a laptop or desktop, type in **classroom.google.com** into the address bar.

The 'stream' which is the front page, is where teachers' direct children to learning links and websites and would be the best place for children to explore when they first access their classroom.

On the 'classwork' tab, there may also be assignments, quizzes or questions that are set. Clear instructions will be written to explain how to complete each task. Children don't need to save anything anywhere as Google automatically saves their work as

Class Dojo

Class Dojo will remain in use as a communication element between parents and teachers to

share information and offer support.

CGP Books

Over the coming weeks children will be supplied with a pack of CGP books that will be kept at home. Please keep them in a safe place, we will be unable to provide a second copy. If your child is not attending school the books will provide lots of activities to keep them busy!

Oak National Academy

Oak National Academy have continually updated their resources with high-quality video lessons and resources which are available throughout 2020/21.
