

Pike Fold Community School - KS2 Newsletter
Friday 18th September 2020

What we've been learning about:

All of our KS2 pupils have made a fantastic start to the new academic year and adapted extremely well to the new challenges we face at this unpredictable time.

During morning lessons this week, our pupils have started their core-curriculum subjects working towards the National Curriculum targets for their year group in Mathematics, English and Guided Reading.

During the coming weeks, children will be using afternoon sessions to catch-up on any key learning from the previous year they may have missed during our time away from school to help them fill any gaps that may exist.

In addition to these catch-up curriculum sessions, our pupils will continue to enjoy a range of enriching subjects such as Computing, Art, Design Technology and PE.

We would like to thank all our KS2 parents for your support and understanding over the past two weeks in helping us get back to normal as smoothly as possible.

Homework

Homework this year for all of our KS2 classes will be set predominantly using online learning platforms such as Mathletics, Times Table Rockstars and Spelling Shed. All children have now been given login details which will be found in their journals.

***If you would prefer your child to receive paper homework each week, please fill out the homework label stuck inside your child's planner.**

Stars of the Week

Congratulations to the following pupils who are currently our fastest students on Times Table Rockstars in the whole school.

Elliot Mullen 6P, Aros Magdid 4P, Joshua Regan 6P, Fabritio Nicola 4F, Alex Bogdani 6F, Jacob Asprey 4P and Noah Gallimore 4P
